

“In Celebration of Wilson ‘Snowflake’ Bentley’s Birthday”

A presentation by Sue Richardson, Jericho Historical Society

Sunday, February 11, 2024, 2 PM

***Deborah Rawson Memorial Library
8 River Rd, Jericho, VT 05465***

Admission is Free

Refreshments will be served

In celebration of the birthday of Jericho’s own Wilson “Snowflake” Bentley*, born February 9, 1865, the Jericho Historical Society, in cooperation with the Deborah Rawson Memorial Library, will host a presentation by Sue Richardson. Her presentation will focus not only on the extraordinary gift that Bentley gave us through the beauty of his photographs, but also the struggles he faced in perfecting his process, and in gaining acceptance from the scientific community, as well as his family and friends. Guests will have the opportunity to get to know him on a more personal level through photographs, family stories and his writings.
