Next Meeting – July 10, 2025

JERICHO HISTORICAL SOCIETY

Meeting Agenda - May 8, 2025

Reports for JHS Board Meeting

Craft Shop Income Report

March		Year to Date (Mar)	
2024	\$4,929	2024	\$
2025	\$7,000	2025	\$
+	\$2,071 over 2024	+	\$ = ahead of 2024
March 5 year avg:	\$3,696*		

This was a strong month, well above the average for March. We made up the deficit from January/February.

April		Year to Date (Apr)	
2024	\$10,410**	2024	\$28,346
2025	\$7,697	2025	\$25,804
-	-\$2,713 = under 2024	-	-\$2,542 = under 2024
April 5 year avg:	\$5,548*		

We had another strong month, beating the 5 year average by \$2,149.

We are a little behind last year, however, we are well ahead of the YTD average of \$16,500.

We continue to add new vendors/products which have been well received by our customers. I'm confident that we will continue to see strong numbers throughout the year.

**Five year averages do not include 2020 as we were closed due to the pandemic.*

***The solar eclipse occurred in April 2024, which brought a significant influx of visitors and contributed to record sales (\$3,800 from that weekend). I had no expectation of matching it in 2025.*
